

The Morris Knolls Home and School Association (HSA) will be offering a mini-grant to at least one faculty member who is interested in implementing a special project or purchasing supplemental materials for the purpose of enhancing his or her students' educational experience. The HSA would like to offer this opportunity for educators at Morris Knolls to be able to present an innovative and creative perspective on material for their students.

Application must be submitted by November 9, 2011

Kindly place application form and itemized budget into the HSA mailbox in the main office.

Teacher/Faculty: _____

Department: _____

Email: _____ Grade Level: _____

Amount Requested from HSA: \$_____ (not to exceed \$500.00) *Please attach an itemized budget.*

Project Description/Outcomes: Include statement of purpose; description of the methods; description of the results and/or presentation; benefits of the project; timetable. (Be specific. Please attach additional pages if needed)

How will this project enable or enhance your students' knowledge or understanding of the subject?

How many students do you anticipate will benefit from this project? _____

How will the outcome(s) of your project be evaluated?

During a future HSA meeting, at the completion of the project, the grantee(s) will be expected to report on the results/application of their project.
